

## THINGS POINT TO EFFORT TO SAVE FALTN

Certificate of Insanity of  
Doomed Convict Prepared  
By Prison Physician and  
Dr. Plath, After Exam-  
ination Yesterday

WARDEN WARNED  
BY WILEY JONES

Threatened With a Citation  
For Contempt Unless the  
Mandate of the Supreme  
Court Is Fully Carried  
Out Today

Suspecting it not believing that an  
eleventh hour attempt will be made  
today to postpone the execution of  
William Faltn for the murder of Carl  
Peterson, Chairman Trot of the board  
of pardons and paroles, Attorney Gen-  
eral Jones, in the dual capacity of chief  
adviser of state officials and member  
of the board, Prof. C. O. Case of the  
board, and Assistant Attorney General  
George Harben, will leave this morning  
for Florence. It was not the intention  
of the board to be present at the exe-  
cution since it had reached a final  
conclusion in the matter, but informa-  
tion came to the board pointing to a  
purpose to delay the execution, by  
means of eleventh hour affidavits as to  
the insanity of Faltn.

Attorney Struckmeyer and Dr. O. E.  
Plath, who had been a witness for the  
defense at the trial in the matter of  
wounds which Faltn said he had re-  
ceived the night of the murder in a  
fight with four Italians, were at Flo-  
rence yesterday. Faltn was examined  
by Dr. Plath and Dr. Randall, the pri-  
son physician, who, as a result of their  
own observations and the affidavits of  
laymen, that they believed Faltn to be  
insane, prepared a certificate stating  
him to be insane. The certificate will  
be formally presented to Superinten-  
dent Sims today.

It was before it was known that such  
a certificate had been prepared that  
the members of the board of pardons  
and paroles decided to go to Florence.  
But in anticipation that such a thing  
was in the air, Attorney General Jones  
prepared the following letter to the  
prison superintendent and will hand it  
to him today in person:

Phoenix, Ariz., Nov. 25, 1915.  
Hon. R. B. Sims,  
Supt. State Prison,  
Florence, Arizona.  
My Dear Sir and Friend:

I write to you in the matter of the  
unpleasant official duties to be per-  
formed by you tomorrow in the exe-  
cution of William Faltn for the murder  
of Carl Peterson, although my duty  
during these hours are no less unless  
you. Both of us have a sworn duty to  
perform.

Nothing tomorrow can stay said exe-  
cution except an order from the state  
board of pardons and paroles, or an  
order of the court finding him insane.  
I will state that the order of the board  
of pardons and paroles must be ap-  
proved by the governor to stay such  
execution. But the judgment of the  
court adjudging Faltn insane, requires  
no such approval by the governor.  
However, be assured that the written  
or oral statement of the prison physi-  
cian as to Faltn's sanity does not stay  
any execution of any person within the  
state prison, that power is not given  
to him; it is placed as above men-  
tioned.

Therefore, I caution you to obey the  
mandate of the court now in your  
hands as my position as attorney gen-  
eral will oblige me, though reluctantly,  
to cite you for contempt, of the court  
should you disobey said mandate. The  
law must be obeyed.

Trusting that our official relations  
may continue pleasantly in the future  
as they have been in the past, and that  
you will appreciate the propriety of  
this word of caution, I remain,

Most respectfully Yours,  
WILEY E. JONES,  
Attorney General of Arizona.

P. S. Will be at the state prison to-  
morrow to advise you.

The board of pardons and paroles  
took the last action it will take in the  
case of William Faltn, condemned to  
die today, when Chairman Trot called  
up his attorneys, Messrs. Struckmeyer  
and Jenkins and told them that after  
going over the affidavits of various

## President At Typewriter All Of Thanksgiving Day

[Republican A. P. Leased Wire]  
WASHINGTON, Nov. 25.—Thank-  
sgiving day was spent by President  
Wilson at his typewriter working on  
his annual address to congress, and  
he typed away until late tonight so  
as to have the document in the hands  
of the public printer tomorrow.

Abandoning plans he had made for  
spending the day with Mrs. Norman  
Galt, his fiancée, the president locked  
the door of his private study, and  
emerged only for a short automobile  
ride in the afternoon and to eat  
Thanksgiving dinner with his family.  
The president had expected to com-

## GREECE'S ASSURANCE OF NON-INTERFERENCE CLEARS ATMOSPHERE

[Republican A. P. Leased Wire]

LONDON, Nov. 25.—Cordial rela-  
tions between Greece and the entente  
powers have been established with  
the Greek government's assurance that  
no attempt will be made to inter-  
fere with the allied troops should they,  
under any contingency, be forced to  
cross the Greek frontier, and that, as  
heretofore, railway and other facilities  
will be afforded them.

That the assurances and the guaran-  
tees are satisfactory to the allies  
is shown in the fact that Greek grain  
ships which had been held up at  
Malta have been allowed to proceed  
to their destinations, relieving what  
would have been a very serious  
shortage of bread supplies if their  
detention had been prolonged.

It is understood that the allies have  
also promised Greece a monetary in-  
demnify after the war for any damage  
which might be done through the  
occupation of Greek territory.

With this thorny question out of  
the way, the British public press has  
centered its interest upon the attitude  
of Rumania and the intervention  
of Russia. It is well established that  
Russia has concentrated a great army  
near the Rumanian frontier and dis-  
patches state a large number of sums  
have arrived at Odessa from Japan  
for its use. However, the direction  
in which this army will move will be

dictated by the policy the Rumanian  
government adopts.

Berlin shows some uneasiness, but  
beyond that and the statement of the  
Rumanian premier, M. Bratiano, that  
the relations between Russia and Rumania  
were never better, there is  
nothing to go on.

As a result of the success of the  
Austro-Germans and Bulgarians in  
the Balkans, the Serbian government has  
gained command of the Kosovo  
plateau, the Serbian government has  
moved to Scutari, while the army is  
defending the little fringe of Serbia  
which lies between the Sittica river  
and the Albanian and Montenegrin  
frontiers. It can be provisioned from  
Scutari, from which place the Mon-  
tenegrins built good roads during  
their occupation.

Montenegro is still in the possession  
of the Serbians, but the Bulgarians  
are pushing toward it, while the  
army of General Gallwitz is re-  
ported to be on the way down the  
Vardar valley to help the Bulgarians  
attack the Anglo-French forces.

Heavy cannonading continues on  
the western front; winter has put a  
stop to any big movements on the  
eastern front, while the Italians are  
persisting in their offensive and are  
daily getting nearer Gorizia, across  
the Isonzo, the Rovereto and Riva,  
in the Trentino.

The communication adds that some  
of the passengers, aided by a few  
members of the crew, notwithstanding  
the expostulations of the captain  
of the Taffa to the contrary, low-  
ered boats, which were immediately  
swamped. The Taffa arrived safely  
at Marseilles.

PARIS, Nov. 25.—The first day's  
subscription to "the great loan of  
victory," as the new French loan has  
been characterized by the minister  
of finance, brought out a greater  
number of investors today than had  
been anticipated. The lines began  
forming at 9 o'clock at the special  
loan windows in all postoffices, at the  
banks, and at the headquarters of the  
loan at the Pavillon de Flore, in the  
extreme southern wing of the Louvre.

At the postoffice the subscribers  
crowded the corridors so that it was  
almost impossible to buy postage  
stamps. At the Credit Lyonnais and  
other banks the windows set aside  
for the receipt of applications had  
to be doubled, while at the Bank of  
France the crowd was so big that  
the police were obliged to use extra  
precautions.

Women in mourning, servants in  
white aprons, workmen in blouses,  
young boys and girls bringing their  
savings touched elbows with capital-  
ists waiting to subscribe millions.

The first subscription was for  
500,000 francs (\$100,000). This was  
followed by one of 200,000 francs and  
two for 200,000 francs each. The  
greatest sum subscribed by an indi-  
vidual today was 5,000,000 francs  
(\$1,000,000), and all the formalities  
connected with it were completed in  
six minutes, which constitutes a  
speed record for a French official  
transaction and furnishes evidence of  
the energy of the minister of finance,  
who organized the issue. The min-  
ister, by resorting to business meth-  
ods, made the utmost of the confi-  
dence felt by the French people and  
of his personal prestige.

At the Pavillon de Flore the sub-  
scribers were received by 400 wives,  
widows and daughters of soldiers.  
The innovation of female help and  
the introduction of simplicity in gov-  
ernment work proved to be so suc-  
cessful that these features are likely  
to be extended.

The figures of the first day's sub-  
scriptions could not be obtained to-  
night, but the Bank of France and the  
ministry of finance have received  
most satisfactory reports from the  
provinces.

LONDON, Nov. 26.—A Petrograd  
dispatch to the Morning Post says:

"The Germans have commenced the  
evacuation of Mitau, their forward  
base in the Riga-Dvina region and are  
preparing to withdraw from the now  
hopeless task of capturing Riga and  
the Dvina line.

"Janopol, one of the points where  
the Germans had reached the Dvina  
and whence they had made attempts  
to cross has been captured by the  
Russians. A good deal of the fighting  
which has occurred lately in the  
northern war theater has been directed  
toward securing for the German  
Germans' permanent winter fortifica-  
tions.

"The Russians continue to press on  
various points to prevent the realiza-  
tion of this objective and the German  
line as now constituted is far from  
satisfactory for anything more than  
brief defensive operations, inasmuch  
as the line is broken in many places  
of the various positions.

"The Germans are concentrating a  
strong, fourfold line of trenches in  
their rear, with a formidable series of  
wire entanglements extending scores  
of miles. In the extreme rear the  
Germans are busy completing field  
railways to the interior of Germany."
